

Community-Based Organization Summit 2016: Pre-Survey Questionnaire

Thank you for registering for the Community-Based Organization Summit event - Members of the Long Island Health Collaborative are eager to learn about your organization's perspective on the health of the community in which you serve. By helping us to identify health concerns, available services and programs, and areas of improvement, we hope together we will address and improve the health of Long Islanders in the future. If you need assistance completing this survey, please call Sarah Ravenhall at (631) 257-6959.
