

## Long Island Health Collaborative Attendance & Meeting Summary: April 18, 2019 | 9:30-11:30am

*Member Attendance: See list attached*

<p><b>Welcome &amp; Introductions</b></p>	<p>Janine Logan, Nassau-Suffolk Hospital Council/Long Island Health Collaborative, welcomes collaborative members to the April Long Island Health Collaborative Meeting. All members introduce themselves. Over 50 members are in attendance.</p>
<p><b>Updates</b></p> <ul style="list-style-type: none"> <li>• LIPHIP Funding Restored</li> <li>• Things to note <ul style="list-style-type: none"> <li>○ Population Health Summit</li> <li>○ Walk with a Doc</li> </ul> </li> <li>• CHNA Priorities selected</li> </ul>	<p>Janine announces that the PHIP funding for the remainder of our contract period was fully restored in the state budget. This means the program is funded until January 14, 2020. Without question, collaborative members' contact with legislators and key members of the governor's office made all the difference. We thank each and every one of you for your support through these difficult months.</p> <p>The PHIP team was honored to present our Library Asset Mapping poster during the Population Health Summit VI: "Becoming the Healthiest State for People of All Ages - Incorporating Health Across all Policies and Age Friendly principles into the Prevention Agenda 2019 - 2024".</p> <p>The PHIP plans to hold our first Walk with a Doc event on Sunday, June 30, 2019 in Babylon, NY. Thanks to our dedicated partner <a href="#">Lisa Zimmerman</a> from Evolve Health, we have made a connection to Dr. Donato Balsamo. <a href="#">Watch this video</a> for more information on Walk with a Doc.</p> <p>During the Community Health Needs Assessment Workgroup in late March, hospitals and local county health departments met to review the data we have been analyzing</p>

	<p>for the past few months. We looked at results of our Community Health Needs Assessment (CHAS), selected SPARCS data, Vital Statistics, Prevention Quality Indicators, and the results from our qualitative research project (focus groups and community-based organization key informant interviews). The following priorities were selected from the 2019 – 2024 state Prevention Agenda:</p> <ul style="list-style-type: none"> <li>• Priority: Prevent Chronic Disease <ul style="list-style-type: none"> <li>○ Focus Area 4: Chronic Disease Preventive Care and Management</li> </ul> </li> <li>• Priority: Promote Well-Being and Prevent Mental and Substance Use Disorders <ul style="list-style-type: none"> <li>○ Focus Area 2: Mental and Substance Use Disorders Prevention</li> </ul> </li> </ul> <p>We encourage collaborative members to give feedback on projects related to these topics. We hope to present a few options at our next collaborative meeting!</p>
