<p>LIHC Updates</p> <ul style="list-style-type: none"> • Refreshed Website • Flu Campaign • Alliance Health Communications • Upcoming Events • CHNA 2022 Work Group Meetings • Community Health Assessment Survey Toolkit 	<p>Refreshed Website</p> <p>The LIHC website has been updated with the new logo and new colors in said logo, to better visually align with the Nassau-Suffolk Hospital Council’s look and feel. Janine and Brooke are working on updating the content of each page, little by little.</p> <p>Flu Campaign</p> <p>The FDA is recommending you get a flu shot by Halloween 2021. This flu season, we have both COVID-19 and flu vaccines. The LIHC will be dusting off last year’s flu vaccine campaign to encourage individuals to not only get their flu vaccine, but to get their COVID-19 vaccine as well. There will be co-branding opportunities for this campaign.</p> <p>Alliance Health Communications</p> <p>A new service of the Suburban Hospital Alliance of New York State, Alliance Health Communications was an outgrowth of the internal SWOT, and the result of several inquiries received from both Long Island and Hudson Valley regions. AHC offers comprehensive health communications services aimed specifically at not-for-profit community-based organizations in the health, social services, and public health sectors that work within tight budgets. More information about Alliance Health Communications.</p>
