

**Long Island Health Collaborative
Meeting Agenda**

Thursday, March 27, 2025 | 9:30-11:30 AM | VIRTUAL Meeting

Welcome & Introductions

Featured Speaker: Melissa Bauer, Principal Healthcare Informatics Analyst, DataGen

DataGen analyzes the LIHC's Community Health Assessment Survey (CHAS) data on an annual basis. Melissa Bauer is the primary CHAS data analyst. She will present the analysis and findings of our 2024 CHAS data to the group and answer questions.
