2025 Community Health Assessment Survey (CHAS) Analysis and Findings

Discussion & Adjournment

LIHC Updates

Case Study Subgroup

- Goal: produce article for publication in a journal to inform the field and for all to take collective ownership
- Reflect on what the LIHC has accomplished, what we're currently doing, and how the LIHC should proceed to maintain its relevance and collective impact
- Nearing completion of our first draft
- No more formal meetings scheduled at this time

LIHC Updates Continued

**Save the Date:
Friday, March 27
(tomorrow!)**

Rally for Micromobility Safety on LI
11:00 AM at Stony Brook University's
Charles Wang Center

LIHC Updates Continued

**Save the Date:
Tuesday, April 14**

Poverty Simulation
Nassau Community
College's CCB Building
9 AM – 12:00 PM
[Register Here](#)

POVERTY SIMULATION

The Community Action Poverty Simulation offers participants an immersive experience that sheds light on the social, emotional, and economic struggles faced by individuals living in poverty. By simulating the complexities of managing limited resources, participants gain valuable insights that can significantly impact their approach to patient care and client services.

9:00 AM Networking & breakfast
9:30 AM Start time
11:30 AM Discussion

Nassau Community College CCB Building
1 Education Dr,
Garden City, NY 11530

TUESDAY, APRIL 14, 2026

Scan QR code or [click here to register](#)

Who should attend?

Anyone looking to gain insight into the struggles faced by individuals living in poverty. Elected officials, community-based organization leaders/staff, social service professionals, healthcare providers/staff, students. **Administrators, senior leaders, and decision-makers are especially encouraged to attend.**

choice FOR ALL
