LEAP forward with us!

A volunteer opportunity
to ignite a spark within your community,
engaging Long Island in the population health
movement.

Become a community advocate,
connect and grow your network.

Assist in the outreach to improve healthcare
access, healthy equity and the social determinants
of health on Long Island.

Want to LEAP?

Contact the Long Island Health Collaborative with a current resume
and a 250-500 word paragraph response this question;

Beyond what's on your resume, how do you align with the
mission and goals of the Long Island Health Collaborative?

Applications can be sent to Kim Whitehead at LIHC@nshc.org

Applications will be accepted on a rolling basis.
