

Treating Nicotine Dependence

Suffolk County Department of Health Services
"Learn To Be...Tobacco Free" Program in cooperation with
NYS OASAS and the Suffolk Care Collaborative (SCC)

March 10, 2020

8:30 a.m.—4:30 p.m.

6.75 CASAC Credits

**Location: Suffolk Care Collaborative
1393 Veterans Memorial Highway
Hauppauge, NY 11788**

Attendance at this one day training will enable professionals to:

- Describe the three aspects of nicotine dependence
- Provide appropriate motivational counseling
- Integrate behavior change theory into treatment plan
- Assist clients/consumers in making a quit plan
- Discuss the 7 FDA approved medications recommended for treatment of nicotine dependence
- Integrate relapse prevention into treatment plan
- Tailor cessation strategies to individual/agency needs
- Discuss the marketing of tobacco products
- Identify the health consequences of tobacco use

Light breakfast and lunch to be provided by SCC
