About:

Join us for rewarding career opportunities in the growing field of pediatric complex care. Network with experts in the field, broaden your knowledge base, and learn about exciting new modalities of care.

We will offer raffles, light refreshments, information booths, guided tours of St. Mary's Hospital for Children.

St. Mary's Healthcare System for Children is committed to improving the health and quality of life for children and families with special needs. We are New York's largest and most experienced provider of long-term care to children with medically complex conditions and New York's City's only post-acute care facility for children.

Our experienced Human Resources professionals will review resumes and provide advice and guidance to all attendees.
